## PROFILE

I am a graduate of the Generation Junior Software Developer Bootcamp looking for a software developer position.

I have more than 5 years of working experience in the service field. This allowed me to develop.

my communication and teamwork skills.

I am keen to use my previous work experience and newly developed technical skills to launch my career in the technology sector.

## WORK EXPERIENCE

■ (Apr 2024 - July 2024)

Generation Thailand

### Junior Software Developer Bootcamp

- Learned how to build web applications from React as front-end, Node.js as back end, and MongoDB as a Database
- Learned essential skills for switching careers, such as growth mindset, communication, agile, and teamwork
